KYOTO 2022
IEEE/RSJ International Conference
on Intelligent Robots and Systems

Workshop

Human-Multi-Robot Systems Challenges for Real World Applications

October 27, 2022

Room 16

Kyoto International Conference Center (ICC Kyoto)
Kyoto, Japan

<https://sites.google.com/view/hmrs-iros2022>

Call for contributions

We encourage you to submit your research in the form of a short paper (2-4 pages) to be presented during the interactive poster session of the workshop

Important dates

Submission deadline: **September 30, 2022, 11:59pm AoE**

Notification of acceptance: October 3, 2022

Submission procedure

Please email your submissions in PDF format to hmrs.iros2022@gmail.com

Best presentation and best poster awards

\$500 prizes sponsored by Intel Labs will be awarded to the best presentation and the best poster of the workshop

Organized by

Gennaro Notomista (University of Waterloo) Riku Funada (Tokyo Institute of Technology)
Junya Yamauchi (The University of Tokyo) Paolo Robuffo Giordano (CNRS, IRISA)

Endorsed by

IEEE RAS Technical Committee on Multi-Robot Systems
IEEE RAS Technical Committee on Human-Robot Interaction and Coordination
SICE Control Division Technical Committee on Human-Connected Control Systems
